INTRODUCING ...

We ATLABS (Apparel Testing Laboratories) is a recognized ISO accredited Textile Testing Lab in Tirupur, India pioneering for more than 15 years in Industry with about 300+ buyers worldwide. We have our registered office in UK (Head Office) and Sales office in Spain to serve our buyers to meet their business objectives by our reputed services. We are proud to be an **ISO / IEC 17025 : 2017** accredited testing laboratory. Our lab is one of the best textile testing laboratories, where a customer can get all textile testing done in one roof. We have our lab at our own premises with a perfect infra structure. Our lab testing services includes testing garments, fabrics and accessories in accordance with different international standards viz ISO, BS, DIN, AATCC, ASTM, JIS, CAN/CGSB etc. We are committed to offer the highest standards of excellence to the customers by providing timely accurate and impartial laboratory test results to guarantee customer satisfaction. We assure complete Confidentiality, Integrity and Availability of test results through dedicated work, technical competency, confidence and reliability.

About Us ...
